

THE WHITE HOUSE

WASHINGTON

July 11, 2025

Her Excellency  
Dr. Claudia Sheinbaum Pardo  
President of the United Mexican States  
Mexico City

Dear Madam President:

It is a Great Honor for me to send you this letter in that it demonstrates the strength and commitment of our Trading Relationship, and the fact that the United States of America has agreed to continue working with Mexico. Despite our strong relationship, you will recall, the United States imposed Tariffs on Mexico to deal with our Nation's Fentanyl crisis, which is caused, in part, by Mexico's failure to stop the Cartels, who are made up of the most despicable people who ever walked the Earth, from pouring these drugs into our country. Mexico has been helping me secure the border, BUT, what Mexico has done, is not enough. Mexico still has not stopped the Cartels who are trying to turn all of North America into a Narco-Trafficking Playground. Obviously, I cannot let that happen! Starting August 1, 2025, we will charge Mexico a Tariff of 30% on Mexican products sent into the United States, separate from all Sectoral Tariffs. Goods transshipped to evade higher Tariffs will be subject to that higher Tariff. As you are aware, there will be no Tariff if Mexico, or companies within your Country, decide to build or manufacture product within the United States and, in fact, we will do everything possible to get approvals quickly, professionally, and routinely – In other words, in a matter of weeks.

If for any reason you decide to raise your Tariffs, then, whatever the number you choose to raise them by, will be added onto the 30% that we charge.

Also, I must mention that the flow of Fentanyl is hardly the only challenge we have with Mexico, which has many Tariff, and Non-Tariff, Policies and Trade Barriers, which cause unsustainable Trade Deficits against the United States. The Trade Deficit is a major threat to our Economy and, indeed, our National Security!

If Mexico is successful in challenging the Cartels and stopping the flow of Fentanyl, we will consider an adjustment to this letter. These Tariffs may be modified, upward or downward, depending on our relationship with your Country. You will never be disappointed with The United States of America.

Thank you for your attention to this matter!

With best wishes, I am,

Sincerely,

DONALD J. TRUMP  
PRESIDENT OF THE UNITED STATES OF AMERICA
